Use this form to change some or all of your Control Pension to a Managed Pension.

**Before you complete this form you should:**

- read our *Pension guide* available at [spiritsuper.com.au/pds](https://spiritsuper.com.au/pds)
- consider whether a Managed Pension is appropriate to your personal circumstances
- seek personal advice to confirm if this change will have tax or social security implications.

**Important information**

With a Managed Pension, your fortnightly pension amount and investments are set for you, aiming to provide you with stable, regular payments until age 90 (but this isn't a guarantee), which are generally indexed to keep pace with inflation. We'll confirm these details once your Managed Pension has been set up.

Your Managed Pension payments will be paid to the same bank account that your Control Pension is paid. Contact us if you need to change your bank account.

Your current beneficiary nomination in your Control Pension will be applied to your new Managed Pension. If you'd like to change your nomination, our forms are available at [spiritsuper.com.au/forms](https://spiritsuper.com.au/forms), or contact us for more information.

We may need to make an additional pension payment before we change your pension to ensure you meet minimum requirements.
